QUESTIONS?

PRACTICE

INDIVIDUAL REFLECTION

1. Open a Pre report

If you don't have access to your organization's account or you have not started data collection, we'll share a link to a fake report.

Pre Report

2. Reflect on Capacities

We'll use a padlet to share our individual thoughts. Reflect and write for 5 min.

Reflect

A woman with long dark hair and glasses is standing in a meeting room, pointing towards a wall covered in sticky notes. She is wearing a white t-shirt. Several other people are seated around a table in the foreground, looking towards her. The room has large windows on the left and a white wall with many sticky notes. The entire image has a green tint.

SHARING

In the chat or on the mic.

CALL TO ACTION

- **Reflect with a colleague**

Share your thoughts about the Capacities section of your Pre report. Ask them what they think your organization could do to incorporate young people's assets to your program. Discuss how your program can address young people's opportunities for growth.

CALL TO ACTION

- **Update the padlet**

We want to hear from your progress using the Capacities section in the Pre report! Update the padlet with any thoughts that came up while reflecting with your colleague. We'll use your updates to plan for future Practice & Progress Sessions.
